2. Maximise social mobility and life chances, through the highest expectations of and aspirations for all students.
3. Encourage and support a range of high performing and distinctive educational establishments for local communities.”

Our Values

Student focus - We will seek to achieve a high quality learning experience for every student

High performance - We will strive for consistently high levels of performance in all aspects of our work

Respect, openness and honesty - We will treat everyone with respect, encourage openness and honesty, and recognise each other’s contribution and achievements.

1. Introduction

The following policy has been developed to underpin and support Wixam Academy’s CEIAG Strategic Plan in response to the DfE statutory guidance ‘Careers guidance and access for education and training providers’ January 2018.

The aim of this policy is to ensure that standards and resources are well-defined and in place. In turn this will provide a secure platform from which outstanding CEIAG is delivered to all students.

We are committed to meeting national and local expectations in relation to careers by:

- Securing independent and impartial careers guidance for students in Year 7 – Year 11 as required by the 2011 Education Act. In implementing this duty, we will pay particular regard to the Gatsby Benchmark regarding person guidance and Ofsted’s inspection criteria for evaluating careers provision in schools (September 2015).
- Fulfilling our duties under the Equality Act 2010 to promote equality of opportunity, foster good relations across all people, eliminate harassment and discriminatory practices and support children with protected characteristics.
- Ensure the trust’s CEIAG is aligned with the South East Midlands Local Enterprise Partnership (SEMLEP) ‘Growing People’ skills plan with Careers and Enterprise Company support through focus on employer engagement, relevant labour market information and provision

The policy for CEIAG supports and is itself underpinned by a range of key priorities and best practice, including the eight Gatsby benchmarks which were devised from their international careers survey 2014 as what good, quality, impartial CEIAG should look like.

The eight Gatsby benchmarks are:

The Academy’s planned CEIAG provision reflects the CDI Framework for Careers, Employability and Enterprise Education, as well as the National Curriculum programme of study for PSHE and citizenship.

2. Rationale

A principal aim of the Academy is to prepare young people for life beyond school and college. It is important therefore that all students leave the Academy aware of themselves as individuals, aware of the opportunities available to them and able to make some decisions about their own life. They should be prepared for the transition from full time education to the world beyond. Careers Education, Information, Advice and Guidance at Wixams Academy should provide a foundation for pupils to move not only in to further education, vocational training or employment, but to the next stage of their development at citizens.

We are committed to providing a planned programme of high quality Careers Education, Information, Advice and Guidance (CEIAG) to all students and recognise the important role that careers education / work-related learning plays in:

- preparing and supporting young people to sustain employability and achieve personal and economic wellbeing throughout their lives
- empowering young people to plan and manage their own futures

- contributing to strategies for raising achievement, especially by increasing motivation
- raising aspirations and inspiring young people to achieve their full potential
- developing core competencies, such as communication, resilience, team working, problem solving and personal management
- promoting equality, diversity, social mobility and challenging stereotypes
