

13th September 2018

Dear Parents and Carers

I am writing to you to thank you for your support with the beginning of this first term of our second year in existence. I was expecting great things but even these have been surpassed over the last week.

Students old and new have been exemplary in their conduct and have displayed all of the Academy values that we hold dear. Walking around our students' classrooms, there is a great sense of hard work, and excitement for the year ahead.

I would like to bring to your attention the following notices in this letter:

After-school clubs

Our after-school clubs will start next week (17th September) and your child will be bringing home a timetable of the clubs that they may choose to attend. Please remember that buses will continue to leave the site at 3.45pm, or 4.15pm on Tuesdays and Thursdays, and that it is your responsibility to ensure your child gets home on the days they choose to stay for clubs.

Open Evening 4th October 2018

This event is one of the most important in our Academy calendar as it showcases the Academy to families making the important choice of which secondary school to select for their children. We are proud of all of our students and the accompanying letter invites your child to volunteer to help on the afternoon and evening. You will appreciate that an event such as this takes an enormous amount of planning and preparation and for this reason we have an early closure on the Open Evening day. The Academy day will end at 1.15pm on 4th October and the buses will leave shortly thereafter.

Car parking at the Academy

If you are dropping off or collecting your child by car, please do not use our car park unless you are a blue badge holder using a disabled parking bay. Instead, please use the parking bays/main road outside the Academy. Thank you very much in advance of your co-operation.

I look forward to meeting you again very soon.

Yours sincerely

Paul Spyropoulos
Principal
