

13th September 2018

Dear Parents/Carers,

At Wixams Academy we are excited to use Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set, all their deadlines and their submission status. We use this system to give you greater visibility into the homework we set.

During the coming days you will be provided with login details to your personal account which is linked to your child's homework calendar where you will be able to see your child's 'To-do List' and any homework that is overdue. These log-ins will be given to your child during their Computer Science lesson. If you require a new log in code please e-mail Mrs Pearson:

lpearson@wixamsacademy.co.uk

To view homework set, please log-in through visiting the show my homework website www.showmyhomework.co.uk, and clicking the log in button (orange in colour) on the Team Satchel page. You should then add your log in details and click the OFFICE 365 button at the bottom of the log in screen. Once you have logged in once on a particular device you will no longer be required to log in as the system will recognise you.

This will give you:

- 24/7 access
- View quality and quantity of homework
- Translation into over 50 languages
- Apps available for iPhone, iPad, iPod Touch and Android devices
- Receive automated notifications before homework is due

To view all homework set without login details please visit the Show My Homework website www.showmyhomework.co.uk . Use the Search for my school button and type in Wixams Academy (Cauldwell St, Bedford)

Please note you will need to use the filter options at the top of the page to find your child's homework.

We hope that this service will provide parents with a deeper insight into the homework your child receives. More importantly, we hope that it will improve your child's organisation, time-management and help them to keep on top of their workload.

To keep up to date on the move please download the Show My Homework app to your smart phone. You will then be sent push notifications to let you know what homework is due and also any that is overdue. At present we do not use the grade book facility as we have a bespoke system which supports our data tracking.

If you or your child have any questions about the service, please don't hesitate to get in touch with the team at Show My Homework, who are always happy to help. Just visit help.showmyhomework.co.uk or call 0207 197 9550.

If you'd like to get in touch with the school please contact **Mrs Pearson**.

Thank you once again for your support,

Yours Sincerely,

Lindsey Pearson

**Assistant Principal
Wixams Academy**
